

**EITHER LUXURY OR SUCCESS.
NOW, I WANT BOTH.**

COUNTRY ROAD, TAKE ME HOME TO A PLACE WHERE I BELONG. I WANT A PERSONAL & A PROFESSIONAL LIFE.

**INSTEAD OF A NEVER ENDING
STRAIGHT ROAD, I WOULD LIKE A
ROAD OF SUCCESS AND ADVENTURE.**

Name	More harmony, trained musicians.	Less Static
Erica	Turn off the news. No static, no discordance. Can't wallow in everyone else's panic/fear.	Achieved road marks. I don't want 2nd verse to be same as first. Let's get to the chorus. More trained musicians.
civilization, not refugee migration	Pieces and parts all come into alignment.	Children's choir. Various choirs, not one big mega choir.
More leaders	Still a climb. Gentle upslope, gentle downslope.	Not everyone trying to play everyone else's instrument. Perfecting their own instrument.
Safe environment	trees, rivers, but faster pace, scenery	Not saving everyone. Some people are audience, supporters.
Not policing	Create structure for the masses. Duplicate it.	Acknowledge that some are tone deaf, flat. I'm not going to have everybody sing.

Name	I am a maximizer.	KISS= keep it simple (stupid)
Scotty	Work with self-motivated leaders. 5 out of 500.	Not easy to find. LESS IS MORE. Focusing FEW not MANY
To lead the leaders.	Help people who are here, today, find and fulfill their dream & goals.	Be more organized, this year.
Quality	Choice, not cost to make decisions. RISK & investment. (not based on lack)	Focus is building, not saving/preserving. (last year, I didn't want to lose ground)
		Last year, I was placed into minimalism.
Choices based on a dream or a fear?	Be empathetic, feel others. What would their life be like if you could overcome that?	What I was taught. Systems teach me what do to with a particular situation.

I NEED TO LOOK FOR MY DESTINATIONS! AND THEN DRIVE TO THEM. NOT DRIVING FOR DRIVING'S SAKE, GOING NOWHERE.
