Life-long learning, inspire confidence by being accountable, execute your  
decisions. **Fast growth**. Must attract team members who are **conduits of energy**.

Name	Next Steps	Example: Action
Scotty	Matthew 7:7 Ask and you shall receive. Declare what it is that you want. Thoughts are things.	Box of business cards collected from past 8 years. Go through them and prioritize those who are leaders for me. Track my prospecting.
(last year: sit and hope)	Visualize where I'm going in the fastest possible way and who is going with me.	<u>Document/ Journal on:</u> What worked What didn't What to do different next time
Universe will conspire to put those things in my way	Space to realize what I want and who I want.	<b>Find ways to inspire people.</b>
	Get clear on what I want and the fastest way to get there.	Inspirational technique: gratitude

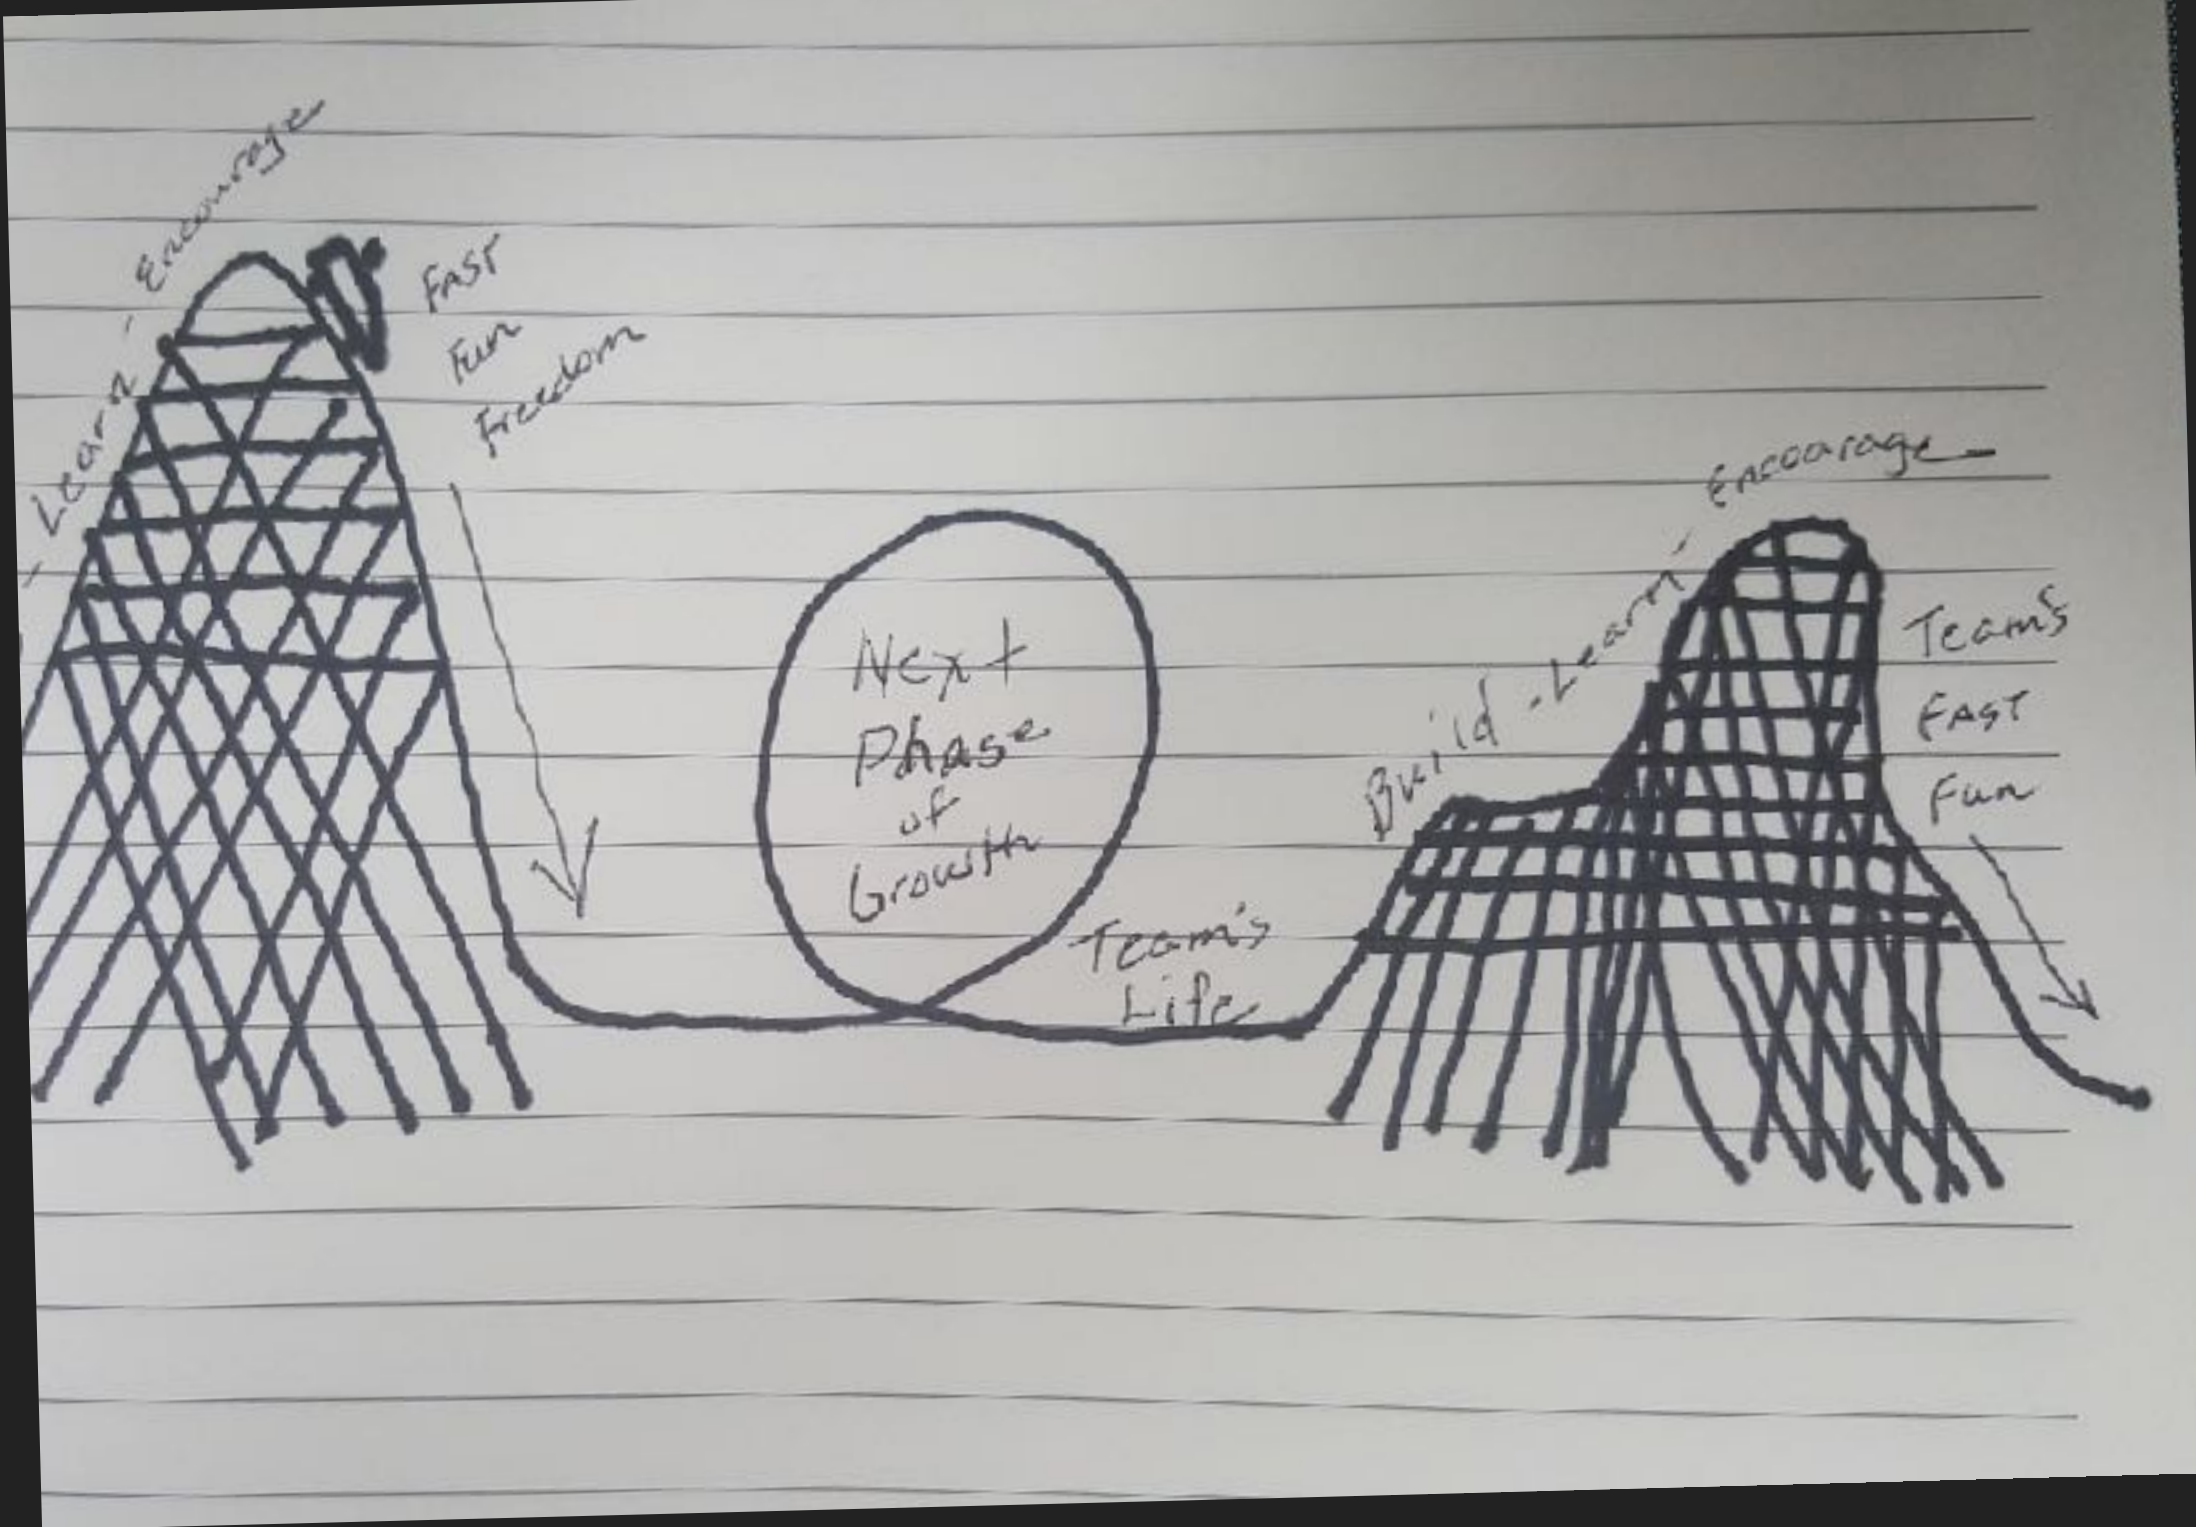

Name	Next Steps	Example
Doreen	Re-Energizing myself = re-energizing my team.	People who don't want to do anything. Love them. Give them space. Send more positive about what's going on. Inspire them.
	Get on the ball. They didn't need to quit. They just needed to rest. I care for them while they are resting.	Someone just quit on me. Lead them to water. They feel better. Let them rest. Check up on them. Make sure they are okay. They probably will come back.
	What about when I get rejected.	Treat every rejector like he's Hershey. Not take it personal. They are so cute! Do u want a different cookie? You can come to our team meetings anytime (just don't pee on the floor).
		Turn a rejection into a testimonial.

Name	Next Steps	Example
Doreen	Dealign with losers. Leave me alone!	I don't leave them alone. Confront them!
Marlyse	Be a runner. I run faster in a pack than on my own.	Tribe of runner. The strongest individual is even stronger when she's in a team. The strongest runner breaks wind and the followers run in her downdraft.
	I'm responsible not just for my own success, but for everyone's.	Bring on more runners. Do events. Gatherings (vs. not one-on-one). Team building.
	Clear my calendar.	Planning, creativity, networking.

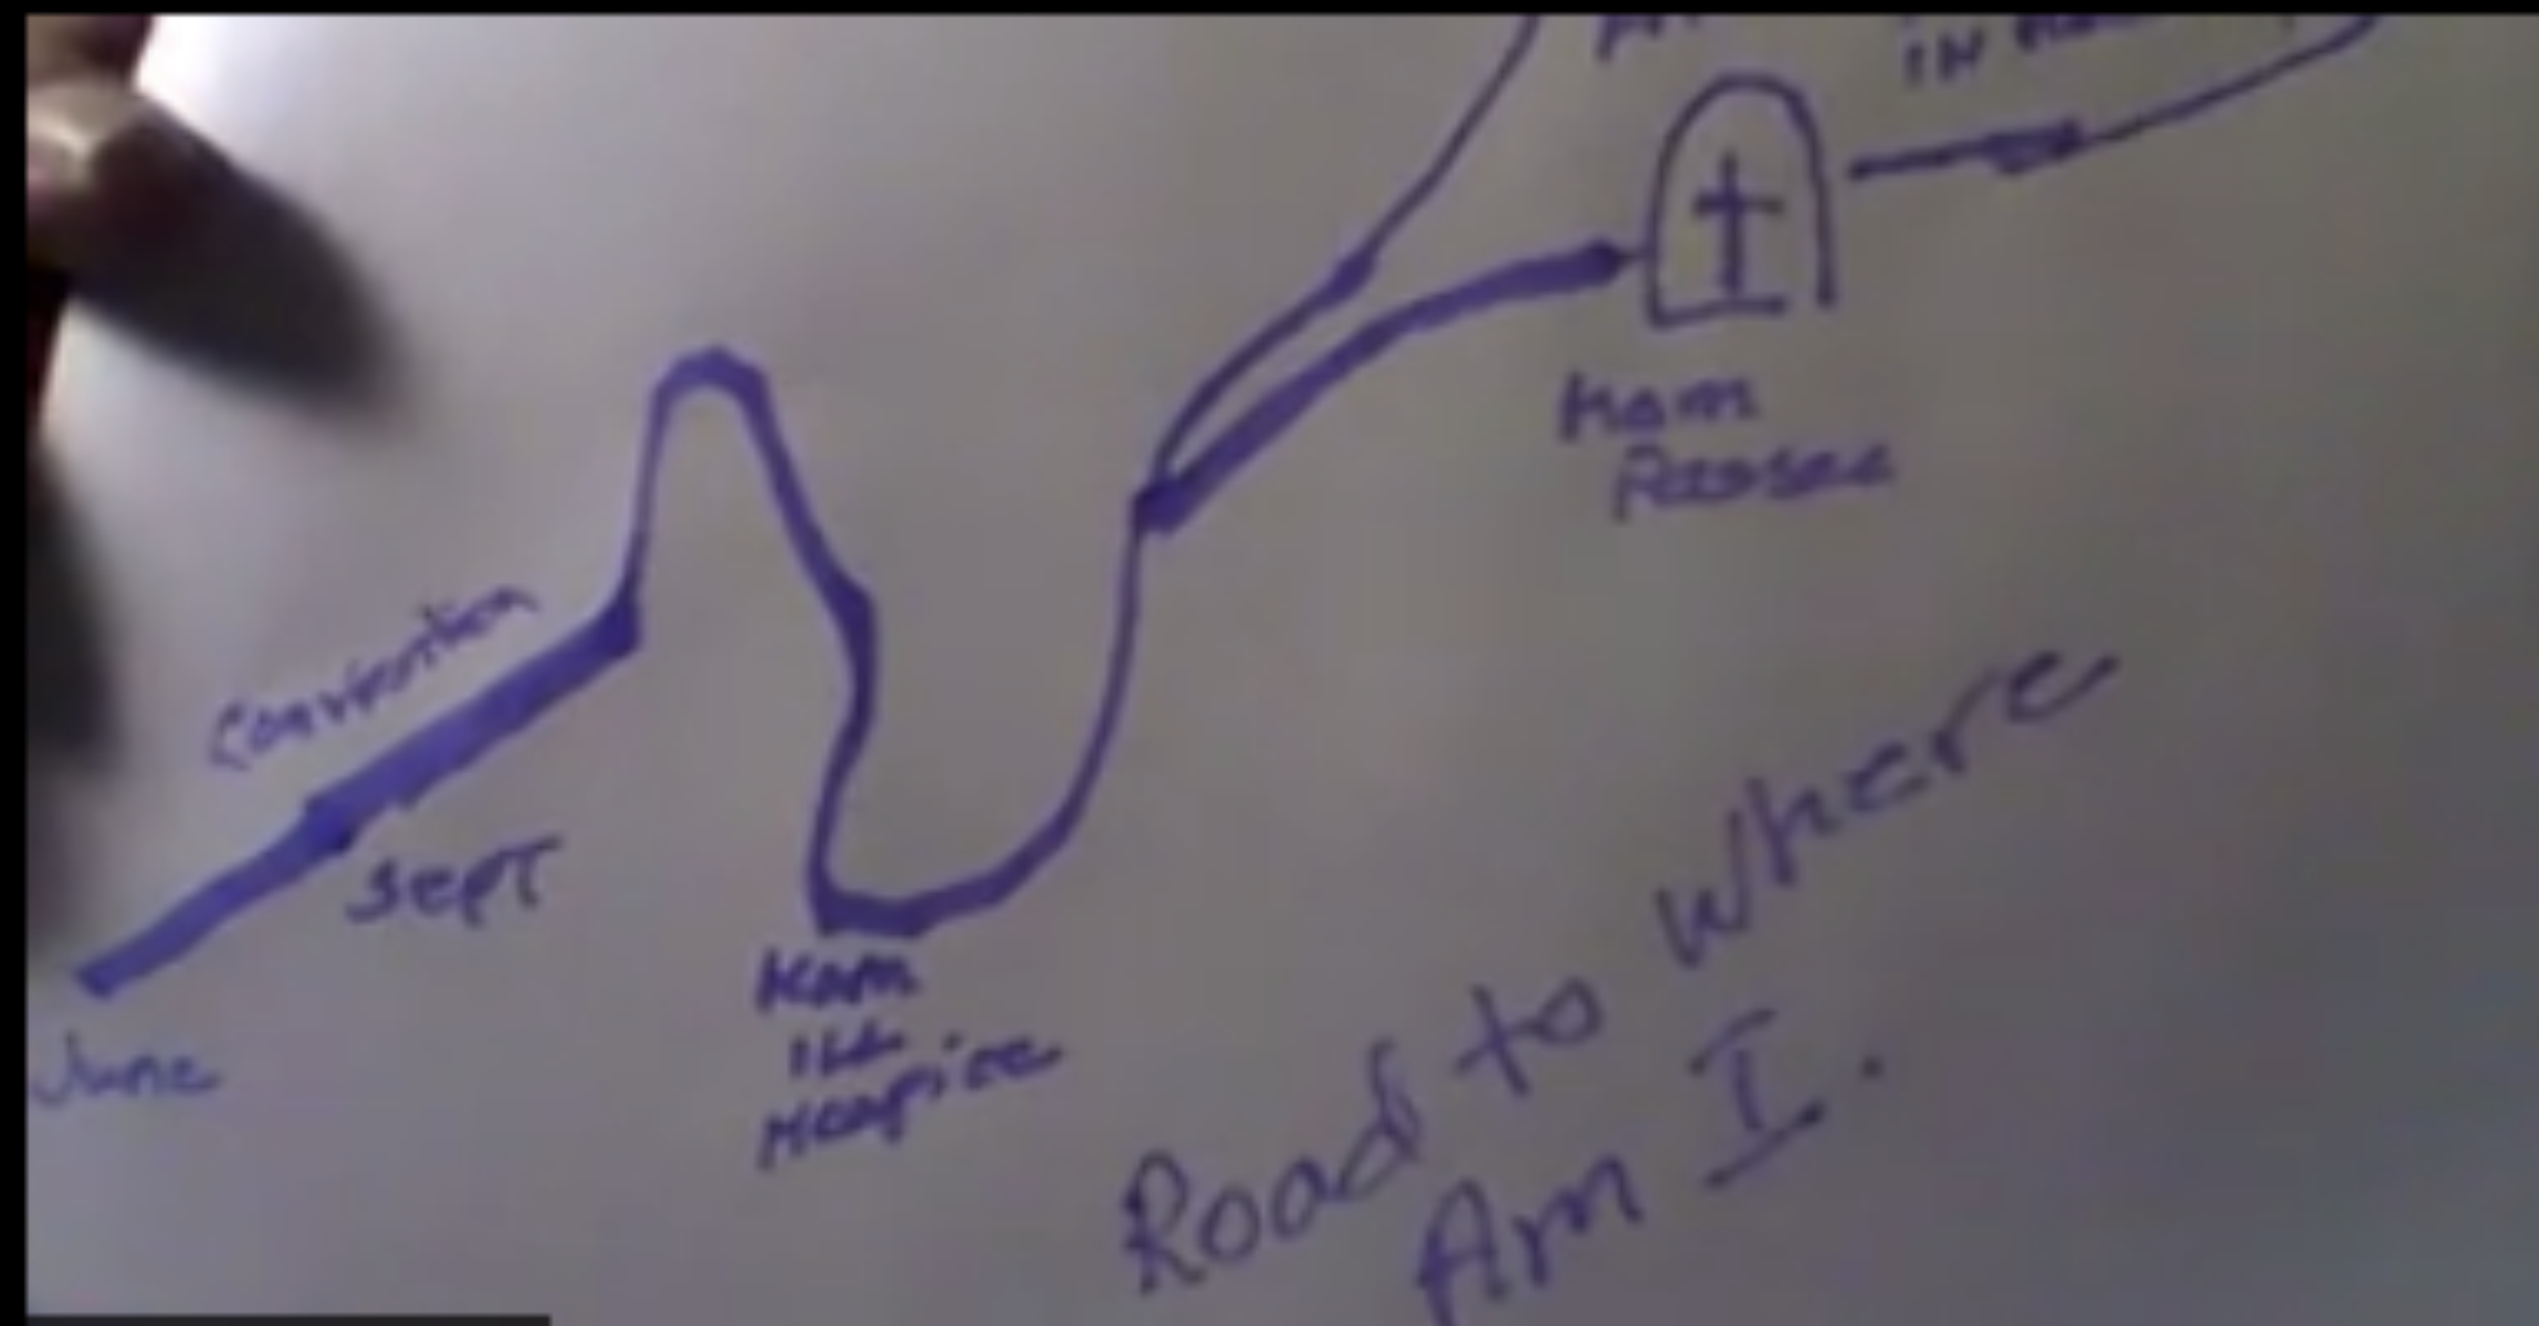

Name	Next Steps	Example
Marlyse	Mile markers	Celebrate every mile markers. <b>CELEBRATION</b>
	Attracting happy people	Attracting happiness. Happiness = Self-centered = Value to myself
	Old road: Empathizer = other-centered = value to YOU	BE honest. Write on post-it's, each post-it, write one thing that you really really like about yourself.
		Also, write what others say to you. God says to me.

They are all wiggly. But ...

Past	Now
dangerous	Fun
Cautious	thrill
Deaths	Innovation
Blind curves	Excitement
